However, delays may occur as a result of product customisation, unforeseen circumstances or the delivery location.

The Virtual Gift Card will be delivered on the date indicated by the User when placing his or her order. If for any reason Massimo Dutti is unable to comply with the delivery date for reasons not attributable to the company, the User will be informed of the situation and provided the option to continue with the purchase, establishing a new delivery date, or cancel the order with full reimbursement of the amount paid, without prejudice to any other rights applicable under current legislation.

10. TRANSMISSION OF RISK AND OWNERSHIP OF THE PRODUCTS

The product risks shall be your responsibility from the moment of delivery. You will take ownership of the products when we receive full payment of all amounts due in relation to the same, including delivery fees, or at the moment of delivery (as defined in clause 9 above), if that were to take place at a later time.

11. BUYING GOODS AS A GUEST

The functionality of buying goods as a guest is also available on the website. Under this type of purchase, only such data which are essential to process your order will be requested from you. Upon completion of the purchase process, you will be offered the possibility of registering as a user or continue as a non-registered user.

12. VALUE-ADDED TAX (VAT)

All purchases made via this Website are subject to prevailing Portuguese Value Added Tax (VAT).

13. PRICE AND PAYMENT

The price of the products will be as stipulated at all times on our website, except in the case of an obvious error.

Although we make every effort to ensure that the prices featured on the web page are correct, error may occur. If we discover an error in the price of any of the products that you have ordered, we will inform you as soon as possible and give you the option of confirming your order at the correct price or cancelling it.

If we are unable to contact you, the order will be considered cancelled and all amounts paid will be reimbursed to you in full.

We are not obliged to provide you with any product at the incorrect lower price (even when we have sent the Delivery Confirmation) if the error in the price is obvious and unmistakable and could have reasonably been recognised by you as an incorrect price.

The prices on the website include IVA, but exclude delivery fees, which are added to the total price as indicated in our Shopping Guide - Delivery Fees. Prices may

change at any time. However, except as stipulated above, the changes shall not affect the orders for which we have sent an Order Confirmation.

Once you have selected all articles that you wish to buy, those will have been added to your basket and the next step will be to process the order and make payment. To that end, you must follow the steps of the purchase process, filling up or verifying the information requested in each step. Furthermore, throughout the purchase process, before payment, you can modify the details of your order. You are provided with a detailed description of the purchase process in the Shopping Guide.

Also, if you are a registered user, a record of all the orders placed by you is available in "My Account" area. You may use, as payment method, the cards Visa, Mastercard, American Express and Affinity Card and PayPal.

Also, you can pay all or part of the price of your purchase with a gift card or a voucher of MASSIMO DUTTI issued by Fashion Retail, S.A. or ITALCO-MODA ITALIANA, S.A.

To minimise the risk of non-authorized access, your credit card details will be encrypted. Once we receive your order, we will make a pre-authorization on your card to ensure that there are sufficient funds to complete the transaction. The charge on your card will be made at the time your order leaves our warehouse. If your payment method is PayPal, the charge will be made when we confirm your order.

When you click "Authorise Payment", you are confirming that the credit card is yours or you are the rightful holder of the gift card or the voucher. Credit cards are subject to verification and authorisation by the card issuing entity, but if the entity does not authorise the payment, we shall not be liable for any delay or failure to deliver, and we will be unable to formalise any Contract with you.

The payment of orders may be processed by ITX PORTUGAL CONFECÇÕES, S.A., an Inditex Group company that receives and processes such payments on behalf of MASSIMO DUTTI, being duly authorised to this end. For the sake of clarity, please note that ITX PORTUGAL CONFECÇÕES, S.A. shall on no account be regarded as part of this contract (namely, as a seller of MASSIMO DUTTI products).

14. PERSONAL TAILORING

This website contains a specific Personal Tailoring section where, as well as information regarding the service, you can also find information relating to the

products purchased at Personal Tailoring and, in the event you have already purchased a Personal Tailoring shirt in any of the GRUPO MASSIMO

15. EXPRESS CHECKOUT

The express checkout feature (hereafter "Express Checkout") makes it easier for you to make purchases on this website as you do not have to enter shipping, billing and payment information for each purchase. Express Checkout is available in the View Basket section. To use Express Checkout you will have to save your card information. You may do so when making a payment with any of the cards accepted by this website by clicking the "Save my card information" option.

This will result in the following card information being saved: card number, card holder name exactly as it appears on the card and card expiry date. To save your card information and use Express Checkout, you will have to accept the applicable Privacy Policy and Conditions. By agreeing to use Express Checkout, you authorise that purchases paid through the tool be charged to the respective card linked to the tool. Card usage shall be governed by the written terms between you and the card issuer in all cases. You may save card information in Express Checkout for as many cards as you like, to do so must make at least one payment with each of them. If you wish to save card information for more than one card, the card whose information was saved most recently will be considered your "Favourite Card", and will be charged for Express Checkout purchases by default.

However, you may change your Favourite Card in the My Account section of this webpage. To use

Express Checkout, you only have to click on the "Express Checkout" button that appears in the Shopping Basket. A screen will immediately appear with the shipping, billing and payment information for your purchase. The information available on this

screen cannot be edited, so if there is incorrect information do not complete the purchase.

To make purchases using different details please do not use the Express Checkout service. You may change your Favourite Card linked to Express Checkout in the My Account section of this webpage. The provisions of this clause shall not apply if you buy goods as a guest.

16. EXCHANGE / REFUNDS POLICY

16.1 Right of withdrawal from the contract

Upon entering into a contract as a consumer, the User is legally entitled to withdraw from the Contract within 14 days thereafter without justification. The withdrawal period will expire after 14 days from the day on which the User, or a third party other than the carrier and indicated by the User, acquires physical possession of the items; or in the event of multiple items in one order delivered separately, after 14 days from the day on which the User, or a third party other than the carrier indicated and by the User, acquires physical possession of the last item in the order.

To exercise the right of withdrawal from the contract, the User must notify MASSIMO DUTTI of the decision to withdraw from the Contract at the following address: Massimo Dutti E-commerce España, Polígono industrial INDITEX, Camino de Tordera a Palafolls S/N. Km.0.6 08490 Tordera. (Barcelona); by calling 800 834 288; by sending an email to contact@massimodutti.com; or by filling out our contact form.

The notification must be made in an unambiguous statement (for example, a letter sent by post or by email).

The User may use the model withdrawal form included in the Annex. Nevertheless, the User may exercise his or her right of withdrawal via any method, and is under no obligation to use any specific one of these methods.

In order to comply with the deadline for withdrawal from the contract, the User need simply send his or her statement regarding the right to withdraw from the contract before expiry of the associated period.

Implications of withdrawing from the contract

If the User withdraws from this Contract, we will refund the amount paid for the products, and any other payments received in respect of the contract (with the exception of return costs if applicable, and additional costs arising from the customer not making the return through any of the free methods mentioned in Clause 16.3 and following),

without undue delay and, in any event, not later than 14 days from the day on which Massimo Dutti is informed of the decision to withdraw from this Contract.

The refund will be made via the same payment method used by the User for the original transaction, except when the payment was made using a voucher. In this case, the refund will be made using a MASSIMO DUTTI gift card or voucher card, issued by ITX PORTUGAL – CONFECÇÕES, S.A.

In any event, the User will not incur any charge as a result of the refund.

Notwithstanding the above, MASSIMO DUTTI may withhold the refund until the company has received the returned items or until the User has supplied evidence of having sent back the items, whichever happens first.

The User can send the returned items with a printed copy of the E-receipt that comes attached in the Delivery Confirmation to the following address, Polígono industrial INDITEX Camino de Tordera a Palafolls S/N. 08490 Tordera. (Barcelona - Spain) or return them to any MASSIMO DUTTI store in Portugal, presenting either the E-receipt on your mobile device or a printed copy of the E-receipt without undue delay and, in any event, no later than 14 days from the day on which the User communicates his or her decision to withdraw from this Contract.

The deadline will be considered fulfilled if the User returns the items before the 14-day period has elapsed.

Unless the customer delivers the products to any MASSIMO DUTTI store in Portugal, the consumer must bear the return costs. We will charge a fixed amount (amount referred to in the "Exchanges & Returns" section) that will be deducted from the amount to be returned to the consumer.

The User is only liable for any diminished value of the items resulting from handling them in a manner other than what is necessary to establish their nature, characteristics and functioning.

16.2 Contractual right to return products

In addition to the legally recognised right of withdrawal granted to consumers mentioned in clause 16.1 above, the User has a period of 30 days from the Delivery Confirmation indicating that the items have left the warehouse to return the products

(except those cases mentioned in clause 16.3 below, for which the right to return those products is excluded).

Returning the Gift Card is governed by its own Terms and Conditions.

If the User returns the items within the established contractual term for the right to return them, but once the statutory period has expired, he or she will only be reimbursed for the amount paid for those items. The User will be responsible for the direct costs of returning the product when the return is not carried out in a MASSIMO DUTTI store in Portugal or via a Courier arranged by MASSIMO DUTTI.

The User may exercise his or her right to return products pursuant to the provisions of clause 16.1 above on exercising the right to withdraw from the contract. Nevertheless, the User must notify MASSMIO DUTTI of his or her intention to return the products and proceed to do so within a period of 30 days starting from the date of the Delivery Confirmation indicating when the item(s) left the warehouse.

16.3 Common provisions

The User does not have the contractual right to return the following items:

- i. Customised items
- ii. Music CDs/DVDs without their original packaging.
- iii. Sealed products which are not suitable for return due to hygiene reasons, having been unsealed after delivery.

The contractual right to return products shall apply solely to items returned in the same condition as that in which they were received.

No reimbursement will be made if the product has been used more than just to open its packaging, if the items are not in the same condition as when they were delivered or if they have been damaged. Therefore, the User must take care of the products(s) while in his or her possession.

The User must return products using or including all original packaging, instructions and any other accompanying documents when applicable. When returning an item, the user must always include the receipt that was furnished at the time the item was delivered.

When making a return, the items must be returned as follows:

Returns at any MASSIMO DUTTI store: The User may return any item to any MASSIMO DUTTI store within the same country that has the same section to which the item belongs. In this case, you must go to that store and present, along with the product, the E-receipt that was attached to the email confirming dispatch. The E-receipt may be presented in digital format via your mobile device or in the form of a printout. **This option is free of charge.**

Returns via a courier: When returning the item(s) via a courier arranged by MASSIMO DUTTI, the User must contact us using the online contact form or by telephone 800 834 288 to organise collection of the product at his or her address. The User must return the product in the same packaging in which it was received, with a printed copy of the E-receipt that was attached to the delivery confirmation email. If the items were purchased as a guest, the User can request a return via courier by calling 800 834 288. **The costs of this return method will be charged to the customer; we will charge a fixed amount (amount referred to in the "Exchanges &Returns" section) which we will immediately deduct from the amount to be refunded to the customer**

If the User does not wish to use either of the two available free options, her or she will be responsible for covering the costs of the return.

If the User decides to return the items via "cash on delivery", MASSIMO DUTTI will be authorised to charge him or her for any incurred costs. After examining the item, Massimo Dutti will notify the User of their right to a refund of the amount paid.

Delivery costs will be refunded if the contractual right to return the products was carried out within the statutory period and if all items in question are returned successfully.

The refund will be paid as soon as possible and, in all cases, within 14 days from the date on which the User notified us of his or her intention to withdraw from the purchase. Notwithstanding the above, Massimo Dutti may withhold the refund until the company has received the returned items or until the User has supplied evidence of having sent back the items, whichever happens first.

The refund will be made via the same payment method used to make the original purchase. The User will assume the cost of returning the items to MASSIMO DUTTI if he or she chooses not to use one of the free return methods specified earlier.

For questions, the User can contact us via our contact form or by calling 800 834 288. Notwithstanding the limitations of the contractual right to return products, provided in clause 16.2, this Clause shall not apply to the exercising of the right to withdraw from the contract to which the consumer is legally entitled, in particular with regard to the limitation of the power to inspect and handle goods.

16.4 Defective products

At the time of delivery, if the User considers that the product does not meet the conditions set out in the Contract, he or she must contact us via our contact form, providing details of the product and damage that has occurred, or by calling 800 834 288, within a legally established period of two months, whereupon we will instruct him or her on how to proceed.

The User must return the product together with a printed copy of the E-receipt to the address indicated therein, or by bringing it to a MASSIMO DUTTI store in Portugal and presenting either the E-receipt on his or her mobile device or a printed copy of the e- receipt. At this point, the User will be refunded the corresponding amount. As legally provided for, in lieu of withdrawal from the contract (and the resulting return of the item and reimbursement thereof), the User may also opt to exchange the product.

A refund of the price, exchange of the item or appropriate reduction in price paid for the item will be carried out as promptly as possible and, in all cases, within 30 days following the request by the user for remedying the lack of conformity of the goods.

All amounts paid for the items returned due to any demonstrable damage or defect will be refunded in full, including costs associated with delivery of the item and costs borne by the User in returning the item to MASSIMO DUTTI. The refund will be made via the same payment method used to make the purchase.

In any event, all rights recognised in current legislation will be safeguarded.

16.5 Variations that shall not be deemed defects

Items sold by MASSIMO DUTTI, especially handcrafted items, often exhibit the natural characteristics of the materials used to make them. These features, such as grain, texture, knots and colours shall not be regarded as defects or damage. On the contrary, they are to be expected and appreciated. MASSIMO DUTTI selects only items of the

highest quality, however natural features are inevitable and should be understood as part of the individual appearance of the product.

The provisions in this clause shall not affect the rights of the User as a consumer, nor his or her right to withdraw from the Contract.

17. CUSTOMISED PRODUCTS

This website includes a section where you can customise certain products with text and characters, choosing from the options available for each item. You can find more information about this service in the Shopping Guide.

Due to technical reasons or other reasons beyond our control, please note that actual colours, textures and sizes may vary from those shown on your screen. Furthermore, please note that, as these are customised items, it will not be possible to return or exchange them.

The Customer guarantees that they are authorised to use the text or other elements in the customised products. However, we reserve the right to refuse customisation or cancel customised product orders for failing to comply with the conditions in question. The Customer will be solely responsible for the requested customisation. We can refuse customisation or cancel customised product orders if we detect that the customisation consists of, or includes, inappropriate elements, property of third parties or unlawful content.

We do not assume any obligation to check nor do we assume responsibility for the text or other elements contained in customisations created by users of this service. We do not guarantee the legality of these texts or other elements. Therefore, we are not liable for any loss and/or damage that may arise for any user(s) and/or any other third parties – whether individuals or public or private entities – resulting directly or indirectly from the customisation of products or bearing any type of direct or indirect relation to said customisation and/or their products.

18. INTELLECTUAL PROPERTY

You recognise and agree that all copyrights, registered trademarks and other intellectual property rights to the materials or contents provided as part of the website belong to us at all times or to those who grant us license for their use.

You may use said material only to the extent that we or the usage licensors authorise it expressly.

This does not prevent you from using this website to the extent necessary to copy the information on your order or Contact details.

19. VIRUSES, PIRACY AND OTHER COMPUTER ATTACKS

You must not make undue use of this website by intentionally introducing a virus, Trojan horse, worm, logic bombs or any other software or technologically damaging or harmful material.

You shall not attempt to make unauthorised access to this website, the server on which the site is housed or any server, computer or database related to our website.

You agree not to attack this website through any attack of denial of service or an attack of distributed denial of service.

Failure to comply with this clause shall be considered an infraction as defined under the applicable regulations. We will report any failure to comply with this regulation to the corresponding authorities, and we will co-operate with them to determine the identity of the attacker.

Likewise, in the event of failure to comply with this clause, authorisation to use this website shall be suspended immediately. We shall not be held liable for any damage or harm resulting from a denial of service attack, virus or any other software or technologically damaging or harmful material that may affect your computer, IT equipment, data or materials as a result of using this website or downloading content from the same or those to which this site redirects you.

20. LINKS FROM OUR WEBSITE

If our website contains links to other websites and third-party materials, said links are provided for information purposes only and we have no control whatsoever over the content of those websites or materials.

Therefore, we shall accept no liability for any damage or harm deriving from their use.

21. WRITTEN COMMUNICATION

Applicable legislation requires that some of the information or notifications that MASSIMO DUTTI sends to Users be in written form.

By using this website, the User consents to receiving the majority of these communications from MASSIMO DUTTI via electronic means.

Massimo Dutti will contact the User by email or by posting the information on notifications throughout the website.

For contractual purposes, the User consents to the use of these methods of electronic communication, and accepts that all contracts, notifications, information and other communications that are sent electronically by MASSIMO DUTTI comply with the legal requirements of providing them in writing.

This condition will not affect the User's statutory rights.

22. NOTIFICATIONS

The notifications that you send us must be sent preferably through our contact form. Pursuant to the provisions in clause 21 above, and unless otherwise stipulated, we may send you notifications either by e-mail or to the postal address you provided us when placing an order. It shall be understood that the notifications have been received and have been carried out correctly as soon as they are posted on our website, 24 hours after they have been sent by e-mail, or three days after the postage date on any letter.

As proof that the notification has been sent it shall be sufficient to prove, in the case of a letter, that it was correctly addressed, that the correct postage was paid and that it was duly delivered to the post office or to a mail box, and in the case of an email, that the notification was sent to the email address specified by the recipient.

23. TRANSFER OF RIGHTS AND OBLIGATIONS

The Contract is binding both for the User and Massimo Dutti, as well as for the respective successors, assignees and heirs.

The User may not transmit, assign, levy or in any other way transfer a Contract or any of the rights or obligations derived from the same without having obtained prior written consent from MASSIMO DUTTI.

MASSIMO DUTTI may transmit, assign, levy, sub-contract or otherwise transfer a Contract or any of the rights or obligations deriving from same at any time during the period for which the Contract is valid to any INDITEX Group company. All other transmissions of the contractual position, rights or obligations of MASSIMO DUTTI established under this contract will also be subject to the prior consent of the User.

To avoid any doubt, said transmissions, assignments, levies or other transfers shall not affect the rights that the User has as a consumer recognised by law; nor will they cancel, reduce or limit in any way the express and tacit guarantees that we have given the User.

24. FORCE MAJEURE EVENTS

MASSIMO DUTTI will not be liable for any non-compliance or delay in compliance with any of the obligations assumed under a Contract when caused by events that are beyond reasonable control ("Force Majeure").

Force Majeure Events include any act, event, failure to exercise, omission or accident beyond the reasonable control of MASSIMO DUTTI, including but not limited to the following:

- i. General Strikes or other forms of protest which have a significant effect on the country.
- ii. Civil disorder, rebellions, invasion, terrorist attack or threat, war (whether declared or not) or threat of or preparation for war.
- iii. Fire, explosion, storm, flood, earthquake, collapse, epidemic or other natural disaster.
- iv. Inability to use railways, shipping, aircraft, motor transport or other means of public or private transport.
- v. Inability to use public or private telecommunication systems.

It shall be understood that the obligations of MASSIMO DUTTI deriving from Contracts are suspended during the period in which Force Majeure remains in effect, and the company will be given an extension to fulfil these obligations lasting an amount of time equal to that of the Force Majeure event.

MASSIMO DUTTI will provide all reasonable resources to attempt to end the Force Majeure event or to find a solution that enables the company to fulfil its obligations by virtue of the Contract despite the Force Majeure event.

25. WAIVING OF RIGHTS

Should MASSIMO DUTTI not require the User's strict compliance with any of the obligations

assumed by him or her by virtue of a Contract or its Conditions or should the User not exercise the rights or actions that concern MASSIMO DUTTI by virtue of a Contract or its Conditions, does not constitute the waiving or limitation of said rights or actions, nor exonerate the User from fulfilling his or her obligations.

The waiving of a specific right or action on behalf of MASSIMO DUTTI shall not constitute the waiving of other rights or actions derived from the Contract or its Conditions.

The waiving of any of these Conditions or rights or actions derived from the Contract on behalf of MASSIMO DUTTI shall not take effect unless expressly stipulated that it is indeed a waiving of rights and is formalised and communicated to the User in accordance with the provisions of the Notifications section above.

26. PARTIAL ANNULMENT

Should any of these Conditions or any provision of a Contract be declared null and void by firm resolution from the corresponding authority, the remaining terms and conditions shall remain in effect without being affected by said declaration of annulment.

27. ENTIRE AGREEMENT

These Conditions and any document referenced in the same constitute the entire agreement between you and us as regards the purpose of the same, replacing any previous pact, agreement or promise made between you and us verbally or in writing.

You and ourselves acknowledge that we have agreed to enter into the Contract without depending on any declaration or promise made by the other party or that could have been inferred from any statement or document in the negotiations entered into by the two parties prior to said Contract, except those expressly mentioned in these Conditions. Neither you nor ourselves shall take any action regarding any untrue statement made by the other party, verbally or in writing, prior to the date of the Contract (unless said untrue statement was made fraudulently) and the only action that may be taken by the other party shall be due to breach of contract in accordance with the provisions of these Conditions.

28. RIGHT TO MODIFY THESE CONDITIONS

MASSIMO DUTTI reserves the right to modify these Conditions. The User will be informed by

us of any significant changes made to these Conditions. These changes will not be retroactive in nature and, barring any exceptional circumstances, will be applied 30 days after the date of their respective notification. If you do not consent to any of the implemented changes, we recommend that you do not use this website.

29. APPLICABLE LAW AND JURISDICTION

Use of the MASSIMO DUTTI website and the contracts for purchasing items on the website will be governed by Portuguese law.
